

Slide Type

Worksheet 18

To accompany Chapter 7.1 The Discrete Fourier Transform

Slide Type

We will step through this worksheet in class.

You are expected to have at least watched the video presentation of [Chapter 7.1](#) of the [notes](#) before coming to class.

If you haven't watch it afterwards!

Slide Type

List of Abbreviations

- CT -- Continuous Time
- DT -- Discrete Time
- DF - Discrete frequency
- DFT -- Discrete (Time) Fourier Transform
- FFT -- Fast Fourier Transform
