

# Homework 9

## Inverse Z-Transform and Models of Discrete-Time Systems

### The Inverse Z-Transform

Attempt the end of the chapter exercises 4-7 ([Section 9.10](#)) from {% cite karris %}.

### Models of Discrete-Time Systems

You should be able to tackle the remaining end of chapter exercises 8-11 ([Section 9.10](#)) from {% cite karris %}.

### Solutions

Don't look at the answers in [section 9.11](#) of {% cite karris %} until you have attempted the problems.
